....Freylit's Advantages

What Stands
FREYLIT
Environmental technology
out from our
Competitors:

These Key factors below provides a solid set of reasons as to why to install a Freylit Wash System

Reclaim System

The CORE of our Wash Station. Over 5,500 installations **World wide.** Robust, compact & well field tested and environmental Friendly.

Design & Technical Support

Integrated support to Golf Course Architect & General Contractor's in all stages of design and build out.

Vortex Pump

Freylit's Special Vortex Pump. Long grass staples not cut by a conventional centrifugal pump.

Maintenance

Exceptionally low with monthly service under one hour, due to automated filter back flushing and the revolutionary "Freylit Vortex Pump"

Reliability.

98% + up time

Odor Free

No ozone used for degerming the water. No use of enzymes (bacteria) that need "looking after" to ensure an odor free environment.

2 Years for the Reclaim System (Option)
2 Years for Vortex Pump
5 Years Expansion tank

Grass Management Key Components

Above Ground Grass Management Area

The Wash Pad with sturdy posts
& Reelcraft Hose Reels

Freylit Water Recycling System

No grass slurry,
only long grass staples

We have been running the new system for over a year now and we are so pleased. Everyday I am on the grounds at the Agronomy Center, I look over and am reminded of how nice an area we have. The system continues to perform beautifully with almost no service and repairs.

*Mark Langner - Director of Agronomy
Farmlinks Golf Club, AL*

Dear Neil Dick,

I would like to extend my sincerest thanks to you and FreyLit for doing an outstanding job in installing and maintaining the Wash Pad at Quail Hollow Club. It has revolutionized our equipment cleaning process.

*Jeffrey A. Kent - Golf Superintendent
Quail Hollow Club, NC*

We are very happy with our decision to use FreyLit, and we are very happy with the service and quality we have received. I will tell anyone who ask about our wash systems that FreyLit is the best I have used, & should be at the top of the list for anyone who is looking to upgrade.

*Ted Fuller - Golf Superintendent
Ocean Forest Golf Club, GA*
